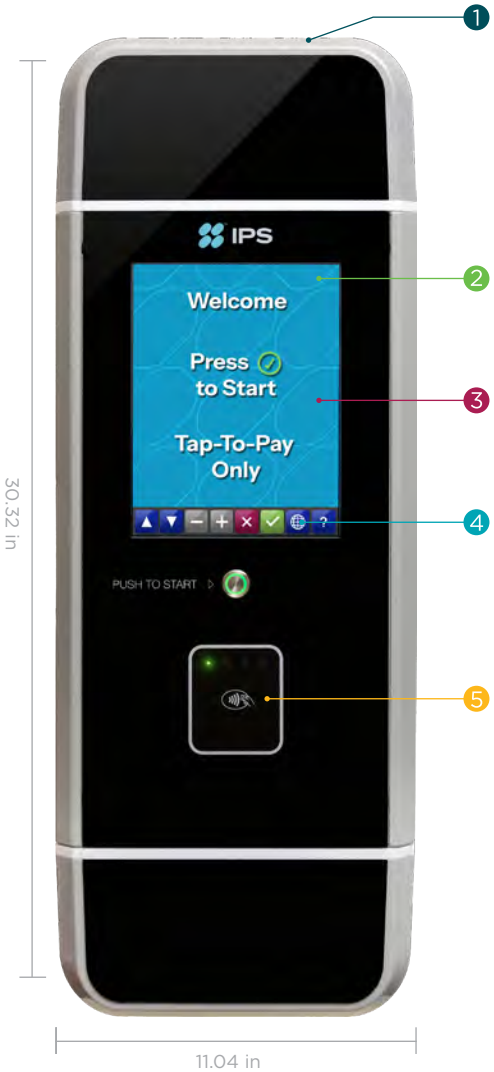
MULTI-SPACE SMART PARKING KIOSK

MSX™ Multi-Space Parking Kiosk

Modernize your parking solutions and unlock new possibilities with convenience and an intuitive touchscreen. MSX installs in minutes, delivers contactless payments – packaged in a minimal maintenance, sustainable, and modular design.



1. Solar Panel (AC Option Available)
2. Vibrant Full-Color Display
3. Modern Touchscreen
4. Multi-Language Support
5. Contactless Payments

KEY BENEFITS

Digital Convenience: MSX offers various payment options, including tap-to-pay, TEXT-TO-PAY™, the PARK SMARTER™ app, and more.

User-Friendly, Customizable Interface: Welcome customers with an easy-to-use, vibrant touchscreen that's customizable to match your branding and multiple language options.

Eco-Efficient Power: This self-powered system has solar panels and an efficient battery.

Unbeatable Uptime: With advanced connectivity features and automatic updates, MSX adapts to changing network conditions and ensures dependable revenue capture.

Easy to Deploy: Install or relocate anywhere… in under 30 minutes! This mobile, modular kiosk doesn't require any hardwiring and has a fully self-contained setup.

Future-Ready Integrations: Centralize your existing systems and prepare for new upgrades with an open interface, customizable dashboard, and seamless integrations.

Hands-On Support: Simplify the transition with deployment tailored to your operations and immediate support over the phone from IPS's team with a proven 25 years of experience.

Value-Driven System: Reduce theft, maintenance, and management tasks. Receive real-time system availability alerts.

READY-TO-MOUNT DESIGN

Increase visibility and adjust kiosk placement as needed with portable, ADA-compliant mounting options, including a pole, pedestal, or wall mount

User-Friendly

Modular

Future-Ready

Power-Efficient

INCREASE REVENUE
